MATERNITY DRESSES FOR HIRE

DESCRIPTION:

Select between **standard** and **premium** collections of maternity dresses. These gorgeous romantic, lace and chiffon flowy and soft maternity dresses, flown gown are ready to wear by you on your maternity photo shoot. The dresses are made from stretchy fabric and chiffon material. Some dresses feature split on the front so it makes it perfect to show off your baby belly. Alternatively, you can wear dresses without a split for more coverage!

From my experience, I can say that one or two maternity dresses can be used during the sunset or sunrise photo shoot.
